## CC General Orientation

By Maria Teresa David &  
Dorana G. Berzo

The general orientation was held at the Convery Hall, Columban College Inc. Main Campus last September 5, 2019. It was attended by first year college students and transferees, faculty members and administrators. The orientation gave brief and important information for the newcomers. The different Directors for student services took part during the orientation program which was held at the beginning of the academic year.

Mrs. Dorana G. Berzo, the Director for Libraries and Instructional Media Center led the library orientation which aims to educate the students and faculty members regarding the policies and general use of the library. She presented the

different library services, staff, sections, and collections both print and non-print as well as the procedures for loaning library collections. Furthermore, Mrs. Berzo encouraged them to maximize the use of the electronic resources/e-books provided by Britannica Online and Starbooks (DOST).

After the talk of Mrs. Berzo, the library staff distributed bookmarks as token of appreciation to all students who participated in the said orientation.

## LIMC partakes...

The Congress objectives include: 1. Examining the role of libraries, information centers, archives, and other cultural heritage partners and institutions in building inclusive, innovative, and interconnected societies; 2. Recognizing the efforts, advocacies, initiatives, programs, projects, and services in libraries, information centers, archives, and other cultural heritage partners and institutions, in contributing to inclusive, innovative, and interconnected societies; 3. Determining the roles of librarians and library associations as key players for societal improvement and change through capacity building and professional agenda.

Hon. Yolanda C. Granda, RL Chair, Professional Regulatory Board for Librarians during her presentation said that "The best

practice in our profession is having one spirit among our actions." In addition, Ms. Emily Drabinski - Keynote Speaker, PLAI Congress 2019 summarized her Speech as "Structures and infrastructures of libraries are equally important in having connections to the readers". Both, Ms Granda and Ms Drabinski, were among the many outstanding speakers who conveyed their valuable insight, knowledge, and experiences during the four-day congress.

The Congress was a great opportunity for the participants to observe and witness the best practices of each library not only locally but globally as well. It helps libraries continue in providing their clientele with the best resources and services from the library.

## Basic Education Library Committee Orientation

By Gilbert Cerezo

The Basic Education Library headed by Mr. Gilbert V. Cerezo, with the approval of the LIMC Director, Mrs. Dorana G. ## LIMC goes to MIBF 2019

By Dorana G. Berzo and Magdalena N. Baldomero

The Library and Instructional Media Center (LIMC) participated in the 40<sup>th</sup> Manila International Book Fair (MIBF) at the SMX Convention Center in Pasay City last September 10 and 11, 2019.

The MIBF provided a number of events such as book signings, seminars, conferences, and storytelling sessions. More than 100 exhibitors, bookshop chains and independent publishers showcased their products and services.

CC Administrators: deans, program chairpersons, faculty members of

the different colleges and library staff attended the said book fair to purchase books and other educational materials needed to support the educational objectives of the different programs offered by the school.

Program chairpersons, faculty and librarians carefully selected books and other educational materials that can be used by the students in their studies and research.

## Digitization Training Workshop

By Melvin S. Reyes

The Asosasyon ng Aklatan at Sinupan ng Diliman, Inc. (AASDI) conducted a three-day training/workshop on "Fundamentals of Digitization and Digital Preservation" last September 25-27, 2019 at the UP Diliman University Library. The workshop was participated by the different librarians and LIS educators in the country.
